## **CEVO® CREDENTIAL CERTIFICATION OUTLINE, CURRICULUM AND PDUs:**

### **CEVO® CREDENTIAL CERTIFICATION PROGRAM MODULES COVERED FROM DAY 1 THROUGH DAY 3:**

The **CEVO® Chief Earned Value Officer®** curriculum has been designed by a number of internationally recognized professionals and experts from the fields of Earned Value Management, Project Management, Project Control, risk management, economics, business, finance, information technology, engineering, and government.

With its newly revised program, the **CEVO® Chief Earned Value Officer®** formula is challenging, rewarding, and exciting for all executives regardless of their industry domain or solution delivery. The curriculum will have a lasting effect and positive impact on the way you manage projects at an executive and senior management level and provide you with applicable knowledge to manage your projects successfully and delivered from **start to finish, without schedule delays, cost overruns, poor quality, and technical scope related issues.**

The **CEVO® Executive Dashboard™** training module, among others, will provide hands-on techniques and methods to enable better earned value management metrics and performance reporting. It is reported that between 75% and 85% of total projects done globally are executed over budget and behind schedule.

The **CEVO® Chief Earned Value Officer®** participant will gain insight into how to provide excellent leadership and mastery of execution best practices within their organizations to overcome and prevent this recurring and alarming trends of poor project delivery outcomes.
