

ChSPO™ Chief Schedule & Planning Officer™ Credential Certification Fact Sheet

About ChSPO™ Chief Schedule & Planning Officer™ Certification

The ChSPO™ Chief Schedule & Planning Officer™ manages and leads all areas and facets of the Schedule and Planning effort of the Project/Program on a regular frequency, and disseminates all the Schedule and Planning information at all stages and time-lines of the Project, and throughout the Project life-cycle, to all its stakeholders including the Chief Project Managers, Senior Managers, Project Executives and C-suite Executives

The ChSPO™ Chief Schedule & Planning Officer™ credential certification program is an intensive and advanced three-day Project Planning and Scheduling program designed to develop the advanced knowledge base of Senior-level Schedule and Planning Management Officers and equip them with best practice Scheduling and Planning competencies, strategies and advanced knowledge to plan, build, manage, execute control and monitor, very large and complex schedules from cradle to grave or start to finish.

ChSPO™ Chief Schedule & Planning Officer™s enforce and ensure full compliance with the industry-standard Schedule and Planning best practices in their Schedule and Planning development, management, execution, control, and monitoring.
